Frontiersmen

Service and Action for Young Men Age 14-18

The Frontiersmen program is a 4-week adventure for young men who want to begin learning leadership through "behind the scenes" service. It is a program like no other. You will spend 5-6 hours per day in camp service (Kitchen crew, cleaning, maintenance, trail building, carpentry, etc.), while making new friends and building relationships with our fine counseling staff. Then the rest of your day will be spent with your team in exciting activities. You may decide to windsurf, sail, water ski or do one of a dozen other activities. Start the process by choosing an Adventure Trip as one of your weeks and come ready to serve hard, play hard and be challenged to grow stronger in your walk with the Lord. Take the challenge and reap the rewards.

Adventure Trips Ages 13-18

Wakeboard/ Waterski Camp

You can waterski and wakeboard for fun or you can get serious. From beginners to advanced, there's a place for you! You will have plenty of time in the water in morning and afternoon session. The remainder of your time is dedicated to enjoying everything else that camp has to offer.

Northern Maine Adventure

This is a 'go where the action is' kind of week! You will have a great time in Camp to start your week. Then the adrenaline will really pump when you get a taste of some Northern Maine world-class white water rafting!

Sailing Adventure

You will learn basic sailing techniques on our Sunfish and Blue Jay sailboats. Then as your skills develop, we offer more advanced sailing on our ODay and Hobie-Cat boats. We will teach rigging and de-rigging of the boats, reading the winds, tacking and even race techniques for the more advanced sailors. Come enjoy the wind at your back and the spray in your face on two spectacular Maine lakes.
